Our February meeting with a demonstration of bas-relief by Patty Hofer has been rescheduled for May 24th due to the weather. Those who purchased supplies can use them at that time. So a ZOOM meeting was set up. Alas! That was also cancelled after waiting online for 20 minutes for consistent power. Covid-19, sub-freezing temperatures, and rolling blackouts have colluded to keep us locked in our homes and unable to meet as a community. March will be more hospitable. We will be back to meetings at the Chris Burkett Service Center, 620 South Wisteria Street, Mansfield at 6:30p.m.

Don't forget!!

A is for ABBAYE DE CRÉTEIL

In 1906 a group of French writers, artists, and composers established the Abbaye de Créteil at a villa in Creteils south-east of Paris.

The group was partly inspired by the French Renaissance writer François Rabelais, who had written about a self-supporting commune in a monastery called the Abbaye de Thelema. It had championed group labor and intellectual self-improvement.

The Abbaye de Créteil community lasted only two years – ending in February of 1908.
