Our March meeting was a demonstration by Steve Miller on how to successfully participate in Plein Air painting competitions. He had equipment to show and a lot of helpful hints to make your outing enjoyable and not a physical death challenge. If you look at his website he shares instructions for building your own smaller size pochade box. <https://www.stevemillerstudios.com/plein-air/homemade-pochade-box/>

We also had a ZOOM meeting set up. Thank you to all who joined the meeting. It is good to know our hard work is benefitting someone. We will strive to have meetings on the third Monday of every month at the Chris Burkett Service Center, 620 South Wisteria Street, Mansfield at 6:30p.m.

However... April will be a Plein Air outing to the Morning Glory Farm in Mansfield on SATURDAY April 17th

### Art Term Corner

BIOMORPHIC forms or  
images are ones that while  
abstract nevertheless refer to,  
or evoke, living forms such as  
plants and the human body

it comes from combining the  
Greek words 'bios', meaning  
life, and 'morphe', meaning  
form.

The term seems to have come  
into use around the 1930s to  
describe the imagery in the  
more abstract types  
of surrealist painting and sculpt  
ure particularly in the work  
of Joan Miró and Jean  
Arp (see automatism). Henry  
Moore and Barbara  
Hepworth also produced some

superb biomorphs at that time,  
and later so did Louise  
Bourgeois.

LESS IS MORE | Limited Color Palette Themed Juried Show Call for Entry  
SUBMISSION DEADLINE: Monday, April 26th, 2021 | Midnight (CST)  
SHOW RUN: Saturday, June 5th, 2021 through Saturday, July 10th, 2021  
<https://dutchartgallery.net/featured/less-is-more-limited-color-palette-for-entry-deadline-monday-april-26th-midnight-cst/>

Many artists use a limited color palette which allows them to focus on tone and composition and provides a great deal of color harmony in their work. We want to see what you can achieve with only four colors. Color may be limited but subject and style are wide open. We invite you to take up this challenge, flex your brain muscles, and try something a little different if you've never painted with a limited palette before.

You MUST use white and three colors of your own choosing; a total of 4 colors. No more and no less. If your work is chosen for the show you will be asked to provide small color swatches of your three colors that will be displayed alongside your work.

-2D painting and drawing work only. No Sculpture. No Photography. No crafts.

-Must have been produced during the 2020-2021 calendar year.

-Artist must include in the online registration a statement specific to each entered piece explaining the work. The artists thoughts, the process, feelings about working with the limited palette are all acceptable things to write about.

-Entry must meet standard framing sizes. Gallery provides temporary framing for the run of the show.

-Gallery wrapped canvas will be acceptable at any size because framing is not required. Must have minimum depth of 1.25 inches. Sides

must be painted—either extend the painting to the sides or painted a solid color (no white/gesso or blank canvas on sides).

-Entry must be available to sell.

-Entry must be original art produced by the artist registered. Work done by a production studio, in classes or workshops, work from kits, commercial designs, and derivative work is prohibited.

—NONREFUNDABLE Entry Fee of \$55.00 USD covers 1 to 3 entries.
